Peggie Bidwell, Carrie Jurrens, Tim Glaze, Veronica Sloan, Randall Harr, Peggi Hubbard, Arleen Earnest, Robert Ingram.

## Called to order @ 7:02 pm

All participated in the flag salute

## Guests:

## Announcements:

Tuesday, November 2 was a great work day. A lot got done. We need to do a couple of other things.

**Minutes read**—Motion to approve minutes as read made by Tim. Randall made 2nd. Motion carries.

**Treasurer's report**—Report read by Carrie. Motion to approve treasurer's report made by Randall. Tim made 2nd. Motion carries.

## Old Business—

**Curator's report**—The tool room is pretty much done. October was mostly focusing on inventory. We need to address the gentleman who emailed FCHS about our representation of the tribes in the area. We have tried to bring in and reach out to every group. There has been little response or participation. Arleen, Veronica and Peggie will work together to address this tactfully.

**I.T. report**-Harry unable to attend meeting

**Wagon report**-No report at this time.

**Pioneer day report**-No report at this time.

**Giving Tuesday**-We will put out the banner, with the corrected date, before November 30. Everything else is taken care of. The website is [northstategives.org](http://northstategives.org).

**Pole Barn report**-Construction plans needed. Calculations are also needed. Does anyone know of an architect who can draw the plans? We need to appoint a person to represent the museum in dealings with the building. Randall will be the contact person for Pat. We need someone with equipment to drill rock. The building must be 20 feet away from Fort Crook Ave. 10 feet from highway easement. 10 feet from museum road.

**Hunt family donation**-A final donation of \$5,000 was given by the daughter of Daniel Hunt, Joy Clark. That is extremely generous. Perhaps we can use the money to start a parking lot fund or a church painting fund? We will continue the conversation at future meetings.

**Russel Callison Estate**-As soon as the family is squared away they will donate.

**Church painting**-A professional painter, Kurtis Powell, will be up to offer a bid the week after Christmas.

**Church drain/plumbing bid**-We need bids to fix the drain. This needs to be done.

**Jail house roof**-Tim cleaned the roof with a friend Billy Reed who does masonry. They sealed parts of it. Billy suggested building a roof over the existing roof to avoid standing water which is the cause for the cement breaking down. Very little of a new roof will be seen from the ground. It won't change the look of the jail house.

**Dispatch assembly**—The assembling of the December Dispatch will be November 23rd @ 11:00. It will be a potluck.

### **New Business—**

The new FCHS calendars are in. We won't be able to sell them in the gift shop as the museum is closed for the winter. So, buy them for friends and family at our next meeting. They are \$6.00 each.

Meeting adjourned 7:51 pm

Respectfully submitted by Peggi Hubbard
