**I.T. report**—Harry made a suggested calendar for 2022.

**Wagon report**—Ready to go. The snow has delayed getting the wagon out of the barn and transporting it to work on it.

**AirCRAFT museum display**-John Will is from Anchorage Alaska. He is building a military, mostly Alaskan military, museum from a fuselage mounted on a school bus chassis. The museum will be mobile. It will have a coffee bar and a sound stage. John will take it to V.A. hospitals and VFW halls. Lots have already been donated and John has spent his own money. The next thing is steel. This is a non-profit. They are looking for talent. Creating newsletters and other jobs that need to be done. When finished the dimensions will be 60 feet long, 11.5 feet wide and just under 15 feet tall to keep it on the road without having to buy special, often expensive, permits. Betty made a motion to put a link to John's website on the FCHS's website. Harry made 2nd. Motion carries.

**Callison Memorial Gift**-The gift is \$10,000 that will be put in a restricted account.

**Brick order**-Need to sell about 30 more bricks to order more. Bricks are \$50. Bricks sold to board members are \$45.

**Yard sale**-Nothing done yet. Usually at the end of February Betty and Merridee put out a flier about the yardsale. Perhaps no exercise equipment. It is often heavy and bulky and no organization or thrift store wants to take the pieces that don't sell.

**Calendar of events**-Harry has made a great start.

Meeting adjourned 7:40 pm
