Reports:

- 1. Curator's report-** Shelley thanked everyone for hiring her. She is really impressed by our volunteers and their dedication. She is coming up with ideas about how to engage people more.
- 2. I.T. report-** Not much to report. Carrie got passwords and security codes.

3. Electronic vote- Motion made by John W. to accept the electronic vote to hire Shelley Eades as museum curator. John H. made 2nd. Motion carries.

4. Annual meeting- The presentation presented by Bill and Betty Stoltenberg was very informative and very enjoyable. Great history lesson. Thank you Bill and Betty.

5. Shelly Creek rendezvous- Thom talked about the rendezvous. They had 93 shooters this year. The most ever. They enticed other clubs with club awards. They would appreciate board members and docents coming out to the rendezvous to talk to the people about the museum to tell them where the Shelly Creek rendezvous donation is going. It was a good time this year, as are most years.

6. Security updates- Tim and John H. got cable up. June 5 the cameras will be installed. John W. got the magnets ready. They have configured where the cameras will be installed. Shelley will donate a large screen TV to better see the security system screen.

7. Pioneer day- Pioneer day is the 3rd Saturday in September. We are going to go with fewer prizes, but bigger prizes. There was a suggestion to have a "Dutch raffle."

8. Yard sale update- The yard sale has brought in \$7,238.40!! While not a record, very, very good! Thank you Betty for your hard work and diligence with the yard sale. We appreciate you.

9. Audit update- Betty has not yet taken the audit to Arleen. There have been health issues that have delayed the audit being submitted.

New business-

Bill Stoltenberg worked for 2 days, for 2 hours each day and mowed. Thank you very much Bill.

There is a place for Curator's Corner in the Dispatch. Peggie asked Shelley to put an introduction of herself in the next Dispatch.

Marlon Sloan talked for a bit. It was planned that June 30 will be the "curation of life" for Veronica at the museum. It was thought that the morning would be the best time to beat the heat. Marlon would like flyers to be put up around town to announce the "Curation of life." Veronica loved sweets and bacon, so that is what will be served.

Meeting adjourned @ 7:47 pm Respectfully submitted by Peggi Hubbard
