Reports:

- 1. Curator's report-** Ticket sales are going well. Shelby and Candance will sell tickets at the museum. We have to have a much bigger online presence. Shelley set up an information booth at the museum. We are looking at a tri-fold brochure. Shelley will work on that and

present the ideas to the board for a vote. Shelley would also like to post information on Instagram.

2. I.T. report- Ray is setting up Windows 11. A discussion about how to make it possible to pay for memberships and make donations on our website was had.

3. Tri Counties Bank/PG&E CD- Peggie will go into Tri Counties Bank tomorrow and will let us know what she finds out.

4. Ice Cream Social- The Ice Cream Social will be Sunday, August 10 @ 2:00. Peggie would like some to come @ 1:00 to help set up.

5. Golden Anniversary Dinner- Betty made a motion to approve the electronic vote to have dinner tickets at a cost of \$18.00 per plate. John W. made second. Motion carried. Update; the Fair will send out invitations and provide dessert plates, cups, napkins and utensils.

There is lots of help needed to set up, serve, and clean up. Betty has contacted Mr. Zimmerman about the Interact Club helping.

6. Fair window- The idea for the Booth has to be in on the Saturday before the Fair. The flower border is good. Tim is thinking of what we will do for the float.

We need a few to supervise the building at the Fairgrounds, Monday of Fair to enforce not taking down booths too early.

7. Pioneer day- We have the Civil War reenactment group coming. No one in attendance was sure about schools coming. We will have concessions. Betty and Peggi will head that up. We will have Demo stations. The parking area will be watered down. The Interact students will be given a free lunch. Some are working on getting golf carts for shuttling from the parking area to the museum. The Scavenger Hunt will be a little different than last year. There will be a small raffle. After the kids turn in their completed sheet, they will get a raffle ticket for a drawing.

The regular raffle is going well. There are already some great prizes. A few are working on other great prizes. We need to put Pioneer Day and the Ice Cream Social on Facebook.

New business-

Robert Ingram told about the history of the P.G.&E. Donation and the building for the P.G.&E. exhibit to be built. It was interesting and informative.

Originally, the building for the exhibit was to be built ADA compliant. The building has been put off for quite a long time. P.G.&E. made a huge impact on our area. Having an exhibit would be a huge point of interest and draw guests to our museum.

Meeting adjourned @ 8:20 pm Respectfully submitted by Peggi Hubbard
